Administrative Notes

- Looking ahead: DPM #2: Pitch studio next **Thursday**

- Reminder that the DPM#2 report will be due **Thursday** night.

- You will not be expected to change content significantly between the presentation and the report this time, so you can prepare the report ahead of time. You will have time in class on **Tuesday** to work on your presentation and report.

- Note: some changes to the class due to increased KAIST emphasis on AI.
